

Hey Leadership!

Thank you for checking out the growing event known as SHINE! Each year several hundred teen girls come together to learn, grow, serve and worship! All of this is done without the presence of boys! Many of the young women have decided that one aspect of the weekend makes it special!

The dates are November 11-12, and the location is Webster Conference Center. Eternity Focus will be both our worship leaders and key note speakers. They will share several aspects in regard to our theme "**Heartbeat**"! You can check them out at [www.knwomen.com/shine.html](http://www.knwomen.com/shine.html)

The following will fill out the weekend

- Friday night PJ party with Zumba, Nachos and cool down!
- Break-out sessions including a track just for 6<sup>th</sup> graders this year!
- There will also be classes for you as an adult leader.
- Mission project! Making Hygiene packs for the Friendship Center in Iowa with Mindy Jameson our home missionary from the center. Check out the list of what you will want to bring for the packs!
- Serving! We will be doing several work projects around Webster to help with the fall clean up. (Note: you do not need to bring rakes this year, just work clothes! And gloves might be a good idea!)
- T&L time! This would be talking and laughing. It is not on the schedule but happens at will!

If you will spend a few moments to check out the rest of the registration pack it should supply you with the details you will need to understand, promote and register your group for the event.

My heart beats passionately for young women and people like you who will invest in their lives. When we have the privilege to share Gods character, His love and His truth in the lives of these ladies it is nothing short of an eternal investment! If you have any questions please feel free to email me at [cooke1@hotmail.com](mailto:cooke1@hotmail.com) or call Heidi at the KNCSB office.

With great anticipation of a faithful God working,

Cheryl Cooke
